NOTE

A sliding hatch used to open to the wide corridor, with a doorway opposite (now closed off). No noise, cooking heat/smells entered the hall. Din and heat now force termination of most hall activity with an open hatch. To help teachers be heard, it mostly is shut. Ask at the kitchen door : there may still be food available. "Give us a break". ORDER or try to ask *in time*: eg FOOD to 19:00.
