We're very appreciative that most retired citizens are generously pleased to contribute in the "adult" category! We thus can do much to bring joys of folk activities to families & young people. Obstacles now restrict broader education of school age young people outside their classrooms in school-time. Concessions above enable families with young people to attend certain parts (eg Sat daytime) economically. But ESPECIALLY - Grandparents, aunts, uncles, cousins !

You who once enjoyed, or still enjoy your folk dance & song - Please take this opportunity to share the joy you've experienced. Bring along young members of your wider family.
